

The Woodmancote Pub is a quirky pub in a beautiful country location and is only a 20-minute drive from Portsmouth. We serve breakfast from 09:30 and lunch from 12:00 daily. We source most of our ingredients locally and all of our food is home cooked. We cater for birthday's weddings, wakes and are happy to help plan your party with bespoke menus to suit, we often have acoustic musicians in the bar on a Friday evening and Sunday afternoon, what better way to start your weekend or spend a lazy Sunday afternoon with a log fire some great music and a delicious roast.
